

PACE UNIFORMS

Welcome to Kay Pace School of the Arts. We are excited that you have chosen us as your school of choice in Clayton County Public Schools. As with all schools, Clayton County Public Schools has rules that we expect our students to follow. **One of the rules is the Student Dress Code. Pace is a uniform school. The appropriate school uniform is to be worn daily unless the school administration decides otherwise.** This year we are partnering with Cookie's Kids to provide low cost uniforms. Please consider purchasing from their website using the code **KPSA** . Cookie's Kids will donate a small portion of the proceeds back to the school (for more information on how to order visit **www.cookieskids.com**) . **Students who do not follow the dress code which includes shoes/footwear can receive demerits for this infraction beginning on 8/12/2022. We appreciate your support in this matter and we thank those parents that have already complied with our dress code.**

Shirts- Polo or button down. Black, grey or white only. You may get them plain or embroidered with Pace Logo. Long or short sleeve shirts are available. **One White polo shirt is required for performances.** All shirts must be clean and without holes or tears.

Pants/ Shorts (medium length or longer) - You may wear khaki or black. **One pair of long black pants is required for performances.** All pants should be worn clean without obvious holes or tears.
