

LONDONDERRY SCHOOL BOARD

Workshop Meeting on School Year 2020-2021

Tuesday, July 21st at 7pm in the Londonderry High School Gymnasium

The School Board invites parents, teachers, and community members to ask questions and make comments about the materials presented by the Superintendent at the July 14th School Board meeting on the 2020-2021 school year. This is not an official School Board meeting but rather a public forum that will allow for the Board and school leaders to hear comments and concerns. This Workshop is also not a deliberative body and no votes or decisions of any kind will take place at this meeting. Below you will find important information about the Workshop:

Format

- The Moderator for the evening will be Public Relations Consultant Scott Spradling
- Attendees will submit their name with comments or questions on a form when they arrive
- The Moderator will call three people at a time up to the microphones to state their comments or questions
- Each speaker will have two minutes and then School leaders will have a chance to respond when appropriate

- Chief O'Brien is working with the School District to help keep this meeting safe for all who attend
