

# SOUTH PARK SCHOOL DISTRICT DAILY SYMPTOM SCREENING

As we work to ensure a healthy learning environment for all South Park students, all individuals – students, teachers, staff, and administrators – are to use this daily symptom screening checklist prior to leaving for school each day. It is imperative that individuals who are sick stay home, adhere to the advice of medical professionals and return to school when cleared to do so, following the guidance of the school nurse.

## GROUP A SYMPTOMS

Fever (100.4 or higher)

Cough

Shortness of Breath

Difficulty Breathing

New Loss of Taste or Smell

\*It is important to note, individuals may experience some of these symptoms from another medical diagnosis or condition (for example, allergies or asthma). In these instances, an individual should be aware of any change from the baseline.

## GROUP B SYMPTOMS

Chills

Muscle Pain

Headache

Sore Throat

Nausea or Vomiting

Diarrhea

Fatigue

Congestion or Runny Nose

### ASK THESE QUESTIONS BEFORE LEAVING FOR SCHOOL EACH DAY:

Is the student/are you exhibiting one (1) or more of the Group A Symptoms?

Is the student/are you exhibiting two (2) or more of the Group B Symptoms?

Is the student/are you taking a fever-reducing medication?

Has the student/have you tested positive for COVID-19?

Has the student/have you been identified as a close contact of or exposed to someone with COVID-19 or COVID-19 symptoms (listed above)?

Is someone in the student's/your household awaiting the results of a COVID-19 test?

**IF YOU ANSWERED YES TO ANY OF THE QUESTIONS ABOVE, STAY HOME  
AND CONTACT THE SCHOOL NURSE.**
