South Park School District

September 5, 2019

South Park Elementary Center Families:

Late this evening, district administrators were notified that a South Park Elementary Center student may have made a threat about bringing a weapon to school tomorrow while talking with classmates earlier in the day. Immediately after receiving this report, the administration notified Director of School Police Todd Naylor and the South Park Township Police Department. After investigating and speaking with the student's family, Officer Naylor and the South Park Township Police Department determined there is no credible threat. Classes will be held on Friday, September 6, 2019.

We thank the student and family who brought this to the administration's attention this evening. Please take a moment to speak with your child about the importance of reporting these types of situations to a teacher, staff member, principal or parent/guardian. Nothing is more important than the safety of our students, faculty and staff. Your cooperation and partnership help us to maintain safe learning environments.

Sincerely,

Wayne P. Gdovic
Superintendent of Schools
