\*\*Items that are bi-annually, not every year (2020, 2022, 2024, etc.)

**Note:** Separately, the District will provide the routine cycles for district RFPs (i.e. legal, transportation, food service, etc.)

\*To make the calendar switch-over work smoothly and not repeat data, we recommend an updated board monitoring agenda for February, March & April of 2022 only. Full implementation of calendar would begin in May to avoid duplication.
