January 2023

Dear Parent(s) or Guardian(s):

As the mid-year approaches, our teachers and students are planning for the January Regents and midterm exams. The Regents and midterm exams are scheduled to be given on Tuesday, January 24th through Friday, January 27th. If your child is scheduled to take a January Regents exam and/or midterm, I ask that you strongly encourage your child to attend Wildcat Acceleration, which will help prepare them to be successful on their exam(s) as well as fulfill graduation requirements.

All high schools in New York State are required to follow State Education Guidelines to ensure the safety of our students as well as the integrity of our local and state tests. Please take time to review this information with your student and stress the importance of the outlined procedures.

- **Tuesday, January 24th through Friday, January 27th:** January Regents and JCHS midterm exams. **Attendance on these days is only for students taking exams.** See attached schedule.
 - ▷ **Regents exams makeups are not permitted.**
- **NYS Regents Testing Regulations:**
 - ▷ **Cell phones, earbuds, I-watches and all electronic devices are not permitted** in any test location/room and will be collected in the main lobby on exam days. **Any electronic device violations will result in the exam being invalidated by the state.**
 - ▷ **Book bags/purses will not be permitted** into the testing location/room during the exam period.
- **Building Restrictions:** During exams, students will be required to sign in at the welcome center and will be escorted to their destination. Any student wishing to see a teacher will need to make prior arrangements with the teacher and will also be escorted.
 - ▷ The library will be closed during exam week.
- **Breakfast:** Breakfast will be available before testing through the main lobby vending machines. **Lunch will not be provided.** Students may choose to bring a bag lunch to eat before or after testing. Food will not be permitted in the testing site.
- **Busing:**
 - ▷ **AM Exams:** Buses will continue to run each morning at the regularly scheduled time and drop students off at the high school for 8:00 exams. Students must be at school by 7:40 am.
 - ▷ **PM Exams:** If your child is scheduled for an afternoon exam, please call transportation at 607-930-1017 to arrange busing.
- **BOCES: CTE BOCES will be running on a regular schedule and transportation will be as usual.** Students are expected to attend their regularly scheduled BOCES classes, unless they have an exam.

Please be sure your child gets a good night's sleep and comes prepared to do their best! If you have any questions, please contact the guidance office at 607-930-1010.

Respectfully,
