BMS INFORMATION

Hello Berrendo Families! In this newsletter you will find your second week of at-home learning activities. Your advisory teacher will continue to call you at least once a week to check in with you. He or she can answer questions you may have or tell you how to find answers. If you have access to the internet, you should be logging in through Clever to access Google Classroom, Reading Plus, iLit, and Moby Max.

This will be the last packet we mail home to all students. Most students are completing their activities online. If you don't have internet access, you can pick up packets on Tuesdays from 2:00-3:30 in the Goddard parking lot. We'll hand out packets on April 21, April 28, and May 5. We will also have the pre-paid Spring pictures available for pick up.

Many families have asked about lockers. As soon as we get instructions from the district about how to clear your lockers out, we will let you know. At this time we are following state and local guidelines which say that we should all stay at home and out of the school building.

It's time to start planning for next school year. The teachers have already made their recommendations for math and language arts classes. To request electives, go to <https://forms.gle/o7fURxzc4fDE4ht87>. If you have no access to the internet at all, call 627-2781 and leave a message. Ms. Carlton will send you an elective request form in the mail.

Sports physical forms are available on the RISD website. Many doctors' offices are not providing non-essential services, such as sports physicals, right now. In early May the NM Activities Association will release information about eligibility and summer work-outs.

Parents of special education students will receive a document called a Prior Written Notice in the mail in the next few weeks. The PWN will explain how special education services have been adjusted since the school buildings have been closed by the governor.

As always, if you have any questions or concerns, please email your teachers. If you do not have email, you can call 627-2775 and leave a voicemail with your name, grade, and question. Someone will call you back.
