Berrendo Bulldog Families:

The school year has officially ended. Congratulations to those of you who are moving on to high school. Welcome to those of you who are entering middle school.

Many of you have questions about when and how school will start in August and if there will be any open house nights. We are unable to answer those questions at this time. As soon as we are given instructions from the district and state, we will pass that information on to you. We want to make the transition as smooth as we can for all students.

As of now, our plan is to mail back-to-school information to you in July. Look for a packet that includes schedules, open house dates and times, uniform and school supply requirements. We will also post information on our website (https://bms.risd.k12.nm.us/bulldog_woof__newsletter) and Facebook page (search for BERRENDO BULLDOGS PTO). Please note that if you request membership in our Facebook page, you must identify the student with whom you are associated or your request will be denied. Minors are not allowed. This is for the protection of our students.

If you have not already done so, choose your electives for next school year using the Google form at <https://forms.gle/o7fURxzc4fDE4ht87>. We will store the locker contents that were not picked up until the fall when students report.

If you need to enroll or withdraw a student, request records, or change address or phone number, email our registrar, Ms. Austin, at eaustin@risd.k12.nm.us. Zone exemption requests will not be accepted until August 19, 2020.

Uniform: BMS T-shirt, BMS sweatshirt, plain denim, khaki, gray, or black shorts or pants, and closed-toe shoes. We will hold a T-shirt sales day in late July or early August.

School Supplies: 3 or 4 binders, dividers, notebook paper and spiral notebooks, pens or pencils, a pencil pouch, glue, and colored pencils. A few teachers may have more specific requirements, but they will tell you about those in August. Limit your purchases until you get your teachers requests in the fall. We don't want to burden anyone financially with school supply purchases.

We have enclosed information about AVID in this newsletter. We encourage you to apply for the program if you think you are a candidate. Applications will be accepted online until June 5.
