

All parents are requested to login to the Parent Portal and ensure all contact information is accurate. This contact information will be used for all Weekly and Emergency Notifications.

- If, after logging into the Parent Portal and checking your contact information, you need to make changes, click on
- ***“Update Information”*** as seen below
- While updating, check the boxes on the left-hand side for notifications that you would like to receive: Phone, Text, or E-Mail
- Once your information is updated, please click “submit”
- *Please note that your information will not change immediately as it must be approved at the school level first*
