

# Kindergarten Supply List

We are so excited about the upcoming school year and hope you are too! Back to school shopping is always a favorite activity when getting ready for school.

## Needed:

- Full size backpack that can fit in a locker. (Large enough to hold an 8 x 12 folder, papers, snow pants, and boots! No wheels please.)
- Four- 16 oz. Playdoh (the off brands stain) Please do not label the playdoh with your child's name.
- Your child's own Personal Supply Kit described below

To help decrease the spread of germs, we will not be sharing supplies. If possible, please assemble your child's own personal supply kit with the following items only: Standard size pencil box (approx. 8x5x2), 24 pack of crayons, blunt tip scissors, glue stick, 2 BIC pens, 2 Black Dry Erase markers with eraser (thin preferred). Each trimester please send in a new 24 pack of crayons, glue, dry erase markers and pens. LABEL EACH ITEM WITH YOUR CHILD'S NAME

## Highly Suggested:

- Water bottle LABELED WITH STUDENT NAME (Contigo brand doesn't leak!)
- Personal coloring book
- Black Dry Erase markers with eraser (thin preferred)
- Personal pouch Kleenex
- Personal hand sanitizer with case

We use the following items daily and they will be used to replace your child's supply kit when they run out. If you see any on sale and would consider donating them to our classroom we would appreciate it

## Helpful Community Items:

- Mailing labels (30 to a sheet)
