and

= on track with quality of work and/or completing work as scheduled

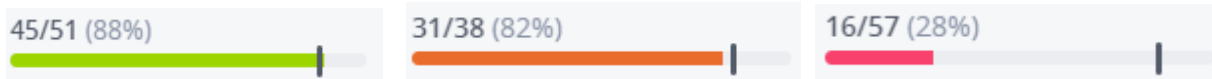

= slightly off track with quality of work and/or completing work as scheduled

= off track with quality of work and/or completing work as scheduled

- **Current Grade:** quality of work based on the completed work ONLY; but it does NOT reflect missing assignments. This grade is NOT an actual grade to date.
- **Course Grade:** quality of work and percent completed for the entire class. **At the end of the semester, this is the grade that will be submitted to the school.**
- **Task Bar:** This bar indicates the total number of assignments, the number of assignments completed, the percentage of completed assignments, and a visual indicator of the student's pacing. Students "in the green" will be even with the solid bar. Students who are behind will be in orange or red depending how far behind the student is.

Students can also hover over this task bar to see course start date, course end date, days remaining, activities completed, and pacing goal.
