Bring your best smile!

From the Principal:

Welcome back to a new school year! We are super excited and ready to begin another chapter at Graysville! Please know that we are doing everything we can to keep your child safe at school. Our office staff is required to ask for your drivers license before being buzzed into the building. Please understand that this is for your child's safety and not a reflection of how well we know our families. Even when we know and recognize you, we are still going to ask to see your identification.

We are super excited to start two new initiatives this year, Morning Meetings and Tiger Time. Morning Meetings will happen at least every Monday morning and will create an inviting, safe community for all students. Tiger Time will take place Tuesday - Friday mornings from 8:10 to 8:55. Students will be divided into learning groups to develop and strengthen their reading skills in fun and engaging ways. Please make sure your child is at school on time each and every day. As your child's principal, I am here to help! Please don't hesitate to contact me if you ever have a question or concern. That's what I am here for! Let's have a great year together!

Title 1

Title I Parent & Family Engagement would like to welcome everyone back! My name is Marissa Watson and I am your Parent Involvement Coordinator for GES. I am very excited to share new ways for all of our GES parents to become more engaged in your child's education this school year.

We all know parents are a child's first teacher and your contributions are valued!

Our Title I Annual Meeting will be held August 18, 2022 immediately following our Parent Orientation. This meeting will outline our Title I program and how it impacts your child's education and our GES families.

There are many ways to learn even more about our Title I program and events. Please be sure to check out our GES website, read your Title I monthly newsletter, and sign up for our GES Title I Remind texts by texting @gestitle-1 to 81010 or through the Remind app by adding @gestitle-1.

We are looking forward to re-strengthening our Parent Volunteer program! Please let me know if you are interested in volunteering your time to help our school. Be on the lookout for our Parent Volunteer Orientation meeting dates and for opportunities posted in our newsletter and website.

We are looking forward to another exciting year in our Title I program!
