Parents and Families,

Thank you for your responses to our Fall Parent & Family Interest Survey. Attached you will find a list of resources that are available to you - AT NO COST - in the Parent Resource Workroom that address most of the topics listed on the Fall Survey. At this time, parents are not allowed to enter the Parent Resource Workroom due to increased health and safety measures, but normally I would encourage our families to stop by the Workroom, located in Room 302, to pick up copies of these booklets and brochures. If you would like to receive any of these resources, please check the boxes below and return this sheet. Resources are limited, so please keep that in mind when making your request. Fall Survey results are available on the GES website, along with additional links to the listed topics..

Sincerely,
Marissa Watson
Parent Involvement Coordinator
