

Graysville Elementary School Title I Budget 2022-2023

For the 2022-23 school year, GES has received \$154,810 in Title I funds. The graph below shows how these funds are distributed.

For the 2022-2023 school year, Title I purchased the following computer based learning programs for additional practice and to further develop skills and proficiency in core subjects for all GES students.

2022-23 Title I Technology

If you would like to provide any feedback or have any questions regarding Title I funds and how they are spent, please contact your Principal, Kerri Sholl or your Parent Involvement Coordinator, Marissa Watson.
