

Heritage High School Chromebook Contract

The new Chromebook your student will soon receive will be issued to him/her for grades 9-12. This Chromebook will be carried by your student until graduation. This form must be signed by the student and the parent.

Student Responsibility _____, (print name), will be a proactive leader in using a Chromebook at school by assuming responsibility for the device. Including the following:

The Chromebook is an important learning tool and is to be used for educational purposes only.

- When using the Chromebook, I will follow the policies of the Catoosa County School District, particularly the Catoosa County Schools Student Handbook, and abide by all local, state, and federal laws.
- I will not “decorate” the Chromebook with stickers or other items.
- I will carefully carry the Chromebook to my classes, either folding it closed before moving it or holding it securely by the base.
- I will observe the personal space of other students carrying their Chromebooks, so no one accidentally bumps and/or drops the devices.
- I will treat the Chromebook with care by not dropping it, getting it wet, leaving it on the floor, taking it in the restroom, taking it outdoors, nor leaving it in an unsecured location or in a place where it may become damaged or stolen.
- I will avoid eating and drinking while using the Chromebook. Doing so puts the Chromebook at risk from crumbs and spills that can permanently harm or damage the device.
- I will not remove the District inventory sticker or label(s) from the Chromebook.
- I will keep all accounts and passwords assigned to me secure and will not share them.
- I will not attempt to repair the Chromebook. If it is not working properly, I will notify the media center.
- The Chromebook is school property. I understand that if I damage school property, I will have to pay restitution, as per the Catoosa County Schools Student Handbook.
