

Put your student on course for success this summer!

Is your student looking to advance to the next level?

Does your student want to take a prerequisite course during the summer?

Visit: mvp.mciu.org to learn more about our Course Advancement program

Montgomery Virtual Program
ONLINE LEARNING FOR REAL WORLD STUDENTS

NORTH PENN SCHOOL DISTRICT
COURSE ADVANCEMENT

FLEXIBILITY & CONVENIENCE

Students may access course materials any time (24/7) and anywhere they are connected to the internet. They may even continue to make progress on their coursework during a family vacation. Teacher support is available through email, chat, or scheduled appointments.

LOCAL SUPPORT

Students and parents can rely on Montgomery Virtual Program for ongoing support. MVP provides:

- Student orientation
- Technical assistance
- Monitoring of student progress
