

Visit Connecticut IB Academy (CIBA)

An International Baccalaureate World School®

CIBA, as an International Baccalaureate World School®, is authorized to offer the Middle Years Programme (grades 9 & 10) and the Diploma Programme (grades 11 & 12). These programmes have been proven to prepare students for the demands of top universities and colleges around the world.

Families interested in applying to the Connecticut IB Academy are strongly encouraged to visit the school by attending one of the 2022-2023 open house informational sessions.

Sessions begin at 5:30 PM and include a tour of the school, a presentation about CIBA, and an interactive student panel. The Open Houses may be in person, virtual, or both. Visit our website as the dates approach for more specific information.
