RE: Student Attendance During Exam Week and Exam Schedule

Dear Parents, Guardians,

Friday June 17th is the last day of regular classes at St. Mary's School. The final exam schedule commences the Monday June 20th and continues until June 27th. **Please be aware that Grade 6-9 exams as well as all Diploma and Grade 12 exams will begin at 8:45am. Grade 10 and 11 course exams please see attached schedule as those start times vary.** Please be diligent in ensuring students arrive on time for exams as late entries often cause significant disruption to students already writing and important writing details are communicated at the beginning of every exam. Additionally, students will not receive extended time when arriving late to an exam.

Students who miss an exam will not be permitted to rewrite the exam unless they have communicated to their teacher the nature of the absence prior to the exam. In cases of emergency circumstances, school administration will intervene on behalf of the student to ensure a reasonable solution. The exam make-up day is only available to students who have rescheduled exams prior to exam week. Students who do not communicate the need for a rescheduled exam in advance, will not be permitted to write on the exam make-up day.

As a reminder, regular classes do not run during the exam schedule and students will not be under teacher supervision after the completion of their exams. The school library will remain open during the exam schedule as a quiet place for students to study. While the school remains open for administration purposes, students are to leave after the completion of their exams. Please contact school administration for clarification or inquiries.

Exams can bring extra stress upon students. While the school staff works faithfully to prepare students for exams, parents and guardians ought to ensure that students are studying, getting enough sleep, and managing stress. Please contact the school's counseling services for support regarding the strategies parents and guardians can utilize for students during exams.

Sincerely,

Joshua Van Uden
Associate Principal
