Dear EHS Families,

August 2021

I hope everyone is having a wonderful summer. I am glad the rain is finally slowing down, and I am optimistic we will see some sun toward the end of the summer. I am excited to announce that we will be returning our entire administration for the 2021-22 school year. Together we accomplished some great things. Last year, all of us were forced to pivot due to COVID protocols, and I commend every one of you for making it through. We are still awaiting new guidance from NYS Department of Education on exactly what school will look like, but what we do know, is that we can roll with anything that is thrown our way. Hopefully by the time you read this, new guidelines will come out and we can get started with the new school year.

I understand that school will look different this year compared to past years. As new information is coming down from the state, we will be updating our Elmira High School website and social media platforms. As a parent myself, I recognize that you have many questions. If you cannot find an answer to what you are looking for on our website, please call the school.

I encourage you to look through this folder as a family to go over the materials together. It is packed with helpful information. Please refer to the bottom of the folder, as some materials need to be returned to school. If you would prefer this information digitally, please refer to the Elmira High School website. The link is https://elmirahighschool.elmiracityschools.com/for_families_and_parents

Forms to be returned to the Main Office:

- Student's Emergency and Annual Health History Form
- Military Form
- Photo/Media Release Form
- Yearbook Form
- Class Color Shirt Form

I look forward to learning both from you and with you. I, along with the staff at EHS, plan to take great strides in motivating and inspiring our students to reach their full potential and beyond. We will continue to use a wholistic approach to education, reaching our students both emotionally and academically. As we venture into the 2021-22 school year, please know that my door is always open, and I value the input of our students, community, and staff. Go Express!

Thank you,

A handwritten signature in blue ink, appearing to read 'Chris Reger', is written over a white background.
