## **Staff Appreciation Week**

Countless thanks to our Staff for all their hard work every day all year, and so valuably supporting the growth of our students! Careers of service, careers in education, are opportunities to actualize what may be the highest intrinsic rewards: the knowledge, the certainty, of a life having meaning for others, and as part of a larger team of individuals working toward the same...those hours, weeks, years, decades, invested in giving, are part of how we move forward and upward as a larger community. With gratitude and appreciation to all our staff and teachers for that service!

As well, heartfelt thanks to our PTAs/PTO for their creativity and care in celebrating our staff this week through positive messages, displays, treats, prizes, and so much more! The embodiment of appreciation!
