1. MURPHY agrees to serve as Director of Human Resources for the Ridgewood Public Schools and hereby accepts full time employment in such capacity in accordance with the terms and conditions of this Agreement. However, nothing herein shall preclude MURPHY from undertaking speaking engagements, writing, lecturing or other professional activities provided that the Superintendent or designee shall determine, in advance, that such activities do not interfere with the effective performance of the duties imposed upon MURPHY as Director of Human Resources.
2. MURPHY agrees to accept and carry out all of the full-time duties and responsibilities that currently or may hereafter pertain to the position of Director of Human Resources including specifically all of the duties and obligations prescribed by statutory, regulatory, decisional or any other state and/or federal law and including specifically all other duties and obligations that may now or hereafter be required by the Board.
3. The Board shall employ MURPHY for the period beginning September 1, 2022 and June 30, 2023.
4. The Board shall pay MURPHY an annual salary of \$155,000.00 (prorata) for the 2022-2023 school year. The annual salary shall be paid in accordance with the schedule of salary payments in effect for other twelve-month certified employees.
5. The Board agrees to pay dues and fees on behalf of MURPHY to N.J.A.S.A – P.A.A, A.A.S.P.A., and any other organizations agreed to by the Superintendent in consultation with the Board.
6. MURPHY is permitted to attend one national conference annually, with prior approval of the Superintendent and the Board. The fees and allowable related travel costs for these conferences shall be paid by the Board, consistent with NJ statutes and regulations. Any other conference MURPHY attends will be subject to the approval of the Superintendent and the Board. Fees and allowable related travel costs for these additional conferences shall be paid by the Board in accordance with OMB Circular and Travel Regulations.
7. The Board shall reimburse MURPHY for expenses incurred for travel using her personal vehicle(s) within the State of New Jersey in the performance of the duties under this Employment Contract. Reimbursement at a flat-rate stipend of \$150.00 per month shall be paid; the same flat rate has been approved in the prior contract. No additional reimbursement for auto travel shall be made supplemental to the flat rate noted.
8. The Board shall provide MURPHY a cellular telephone with e-mail capability for school district business use or, at MURPHY' request, reimburse MURPHY \$47.00 per month for her use of her personal cellular telephone for school district business in accordance with district practice for administrative staff.
9. MURPHY shall be entitled to twenty-two (22) vacation days per year of employment (Prorated). Vacation will be taken at a time mutually agreeable to MURPHY and the Superintendent. Not more than 17

days may be carried over from year to year. No financial reimbursement will be made for unused vacation days except for termination of employment. The maximum number of days payable will be thirty-nine (39) – forty-one (41) days based on a per diem rate of pay calculated by dividing MURPHY annual salary in her last year of employment by two hundred sixty (260). To the extent required by law, this payment will be up to \$15,000 or any other maximum required by law for certificated administrators. If MURPHY dies before the completion of a contract period, her prorated vacation, based on a 260 day work year, shall be paid to her estate

All eligible new enrollees are subject to a two-month delay prior to implementation of medical and prescription coverage. In the event the district changes carriers, MURPHY may enroll in insurance programs providing for a level of benefits equal to or better than those described in the medical plans offered through the SEHBP as of the time of any change in carriers, up to and including the richest benefit plan offered through the SEHBP.

b. If MURPHY can show proof of medical coverage by a spouse (excluding a district employee) prior to December 1 of each year, she may elect to waive medical insurance coverage in return for a payment of \$2,000. Payment will be made in each year coverage is waived. MURPHY may request, in writing, to resume medical coverage in the event of an emergency which resulted in the loss of out of district coverage. Requests for resumption of coverage and reasons therefore will be submitted to the Superintendent.

c. A comprehensive dental plan shall be provided to MURPHY and her dependents. The plan provides for the payment of 80% of all reasonable and customary charges for basic services and 50% for all major restorations with a \$50 deductible to a maximum of \$1,500 per year.

d. For the 2022-2023 school year, MURPHY is subject to maximum of 26% contribution toward the cost of health care benefits coverage pursuant to Chapter 78, P.L. 2011. If MURPHY enrolls in any district health insurance plan(s), she must pay the contribution calculated pursuant to Chapter 78, P.L. 2011 as contribution toward her health insurance premium(s) to the extent required by applicable law. All premium contributions will be made through payroll deductions.

If MURPHY' district employment ends before June 30, she will be entitled to a prorated portion of the full annual sick leave entitlement for that partial work year. Unused sick leave days shall accumulate without limit for use in future years for the duration of her employment in the district. Prolonged absence, beyond those sick leave days accrued in accordance with state law (N.J.S.A. 18A:30-1, 30-2, 30-7) will be reviewed by the Superintendent to determine whether or not it will be possible for MURPHY to return to work within a reasonable period. In unusual cases of chronic absenteeism, or where the possibility of an extended multi-year absence exists, the Superintendent will review the details with the Board and make a recommendation concerning the status of MURPHY.

b. If MURPHY resigns from district employment for the purpose of T.P.A.F. retirement after at least fifteen (15) years of district service, and she has used twenty-five (25) percent or less of accumulated sick leave during her district employment, she shall, at retirement, receive a stipend of \$8,000. Payment will be made by July 30, provided the letter of intent to retire is submitted to the Board by January 15. A letter of retirement submitted after January 15 will cause the payment to be made to MURPHY by July 30 of the following year, with interest equal to the budget cap for that year established by the New Jersey Department of Education.

13. In the event of a death in the immediate family or household (spouse, child, grandchild, parent,

sibling, relatives by marriage in the same degree of relationship or any other relative whose household at the time of death is also the household of MURPHY) absence is fully compensated for as many days as the Superintendent deems suitable, up to a maximum of five (5) days. b. Cause: Discharge for cause shall constitute conduct which is seriously prejudicial to the school district, including but not limited to, neglect of duty, inefficiency or incompetence. Notice of discharge for cause without notice shall be given in writing and MURPHY shall be entitled to appear before the Board to discuss such causes. If MURPHY chooses to be accompanied by legal counsel at such meeting, she shall bear any costs incurred for this representation. Such meeting shall be conducted in Executive Session. MURPHY shall be provided a written decision describing the results of the meeting.

19. This Agreement and all rights, obligations and liabilities arising hereunder shall be construed and enforced in accordance with the Laws of the State of New Jersey.

IN WITNESS WHEREOF, the parties have executed this Agreement this 25<sup>th</sup> day of July, 2022.
