Dear Assemblyman Russo:

Attached is a certified Resolution from the Ridgewood Board of Education in support of the Paramus Board of Education's position of the use of Chapter 192-193 funding for out-of-state students who have voluntarily been placed in non-public schools.

Additionally, the Ridgewood Board of Education has added to the resolution the issue of providing transportation costs and/or aid in lieu of costs of students who have been voluntarily placed in non-public schools.

Please consider these issues when you seek further cost savings and proper budgeting for schools.

Sincerely yours,

Daniel Fishbein, Ed.D.  
Superintendent of Schools
