

Ridgewood Public Schools

Student Online Programs Login Information for Grades K-5

Students can access our online Math, Language Arts, Social Studies, World Language, and Keyboarding programs using their GOOGLE/DISTRICT NETWORK credentials, unless otherwise noted.

Student Name: (example) Ima Student

Grade: (example) 05

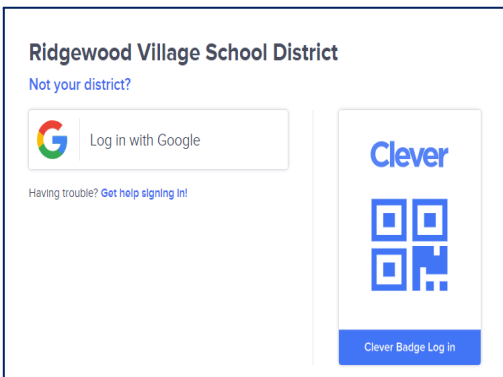

Teacher Email Address: (example) steacher@ridgewood.k12.nj.us

School: (example) Ridgewood Elementary School

Student District Network User Name/Password: (example) 10xstudent / example99

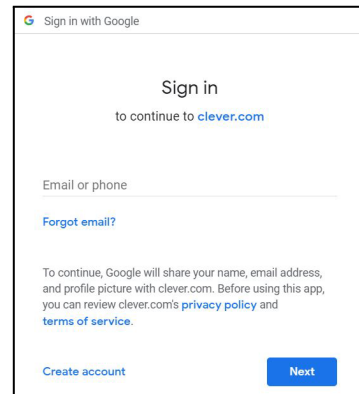

Student Google Account Username/Password: (example) 10xstudent@ridgewood.k12.nj.us / example99

To access these programs, students logon to the district Clever portal, which can be accessed from the district website under **For Students, Clever Portal** or <https://clever.com/in/ridgewoodnj>

Click "Log in with Google".

IMPORTANT NOTE: It is recommended that students have a separate Google Chrome profile from other family members on a home computer, or use a different browser such as Firefox. If the student is attempting to logon from a home computer under another family member's Google account, they must sign out and the **student must Sign In with their own student Google credentials.**

After successfully signing in and linking the student's Google account, the Clever portal will load. It will display buttons which are linked to the following programs:

 <p>SOCIAL STUDIES PROGRAM All Elementary Schools – Grades 2-5</p> <p>Automatic single-sign on through Clever with student's District Google account credentials.</p>	 <p>SAVVAS (Pearson) EASYBRIDGE: REALIZE enVision MATH PROGRAM All Elementary Schools – Grades K-5</p> <p>Automatic single-sign on through Clever with student's District Google account credentials.
