

If the past two years have made anything clear it is that now, more than ever, connections with family and friends are priceless.

The written note never gets old. It's a virtual hug when you can't give one, a birthday wish that goes one step further than a text, a note of "Congratulations" or just a "Thinking of You" message in the mailbox for no reason at all.

We invite you to support the fifth grade fundraiser by purchasing boxed note cards online at:

Each sturdy keepsake box contains 30 beautiful hand-embellished greeting cards with coordinating envelopes for just \$30. Choose among Kids' Birthday Cards, Thanks and Blanks, two different All Occasion boxes and the holiday box, which contains 50 cards with white envelopes. Card boxes save time and money (no more last-minute trips to the drug store!) and they make great gifts, too.

Please place all orders by **Tuesday, November 1, 2022**. Orders will be delivered approximately two weeks after the order period closes. Thank you for support!
