

Building Tour & Community Discussion
June 6, 2022

*Meeting hosted by TruexCullins and the School Administration. No quorum of board members.

Attendees:

Presenter: Cam Featherstonhaugh, Architect, TruexCullins

Administration: Principals David Schilling and Sarah Welch

Board Members: Melissa Conly and Molly Gleason

Community: Gary Fontaine, Barb Fontaine, Marvin Withers, Beth Williams, Tom Ziobrowski, Toby Balivet, Art Demaris, Phyllis Kehley Sweeney, Susan Tallman, Mary Swainbank, Mary Wyand, Bruce Melendy, Gail Hare, Thomas Moral, Danielle Turo, Mary Beattie, Andrea Searls, Rob Balivet, Polly Joncas, Dan Wyand, Kristin Franson, Marvin Pritchard, Sara Stinson, Kaity White, Anna Berg, Caleb Clark

6:00 - 7:00 Cam led a tour of the building highlighting areas that need repair, systems that are at the end of useful life, some of which are non-serviceable and/or no longer meet code (electrical, plumbing, HVAC, etc), accessibility issues and other issues including limited space in elementary classrooms, lighting, lack of sprinklers, outdated fire alarm systems, an electrical breaker panel from 1937 that is still in use, worn and broken down surfaces and furnishings, some rooms without windows, windows that are old and leaking air, and combustible material that is still in place at the school.

7:00 - 8:30 Presentation by Cam Featherstonhaugh, explaining in detail the deficiencies and inadequacies of the building and the options being considered (see [meeting documents](#) for more info). The presentation ended with Q & A with community members present.
