THIS AGREEMENT IS ENTERED INTO PURSUANT TO ARTICLE XXII, SECTION 22.3 OF THE CURRENT COLLECTIVE BARGAINING AGREEMENT.

The parties agree that:

Our model of reopening schools, including all potential hybrid learning models, will prioritize the health and safety of our students, staff and entire district-community, positive and justice-driven educational outcomes and equitable learning conditions as well as the educational and social-emotional needs of students and staff.

I. Reopening Timeline & Phases

The District shall carefully consider the recommendations provided by the Governor, OSPI, the DOH and the Lincoln County Health Department (LCHD). The District has committed to continue ongoing and regular communication with the LCHD and the PSE regarding reopening plans, phases, health and safety requirements. As noted in the document titled “Davenport School District 2020-21 Reopening Planning, Phases & Protocols”, the specific phase/schedule will be determined by Superintendent in accordance with the “Davenport School District – Return to Learning Plan Bases on Lincoln County Department of Health Guidance”. This document includes the following notation: “If case counts continue to climb, the LCHD may impose a remote only directive with very limited in-person opportunities for at-risk students.”

Regardless of the phase, some students requiring face-to-face instruction may need to be served on campus. These may be special needs students, students with 504 plans or other at-risk students.

II. Student and Staff Health Precautions

Face coverings, Health Screenings, Physical Distancing, Health & Safety Requirements, Worksite Employee Health & Safety Requirements and Key Statutory Requirements: The District has adopted the attached Reopening Plan to comply with the workplace safety and school reopening social distancing guidance provided by Labor and Industries, OSPI & DOH, utilizing staff/student discipline procedures for enforcement when necessary.

III. Employees in High Risk Categories

Any employee who believes they are high risk as outlined in the July 23, 2020 letter from the superintendent to all staff are encouraged to dialogue with the superintendent regarding potential accommodations. Agreed upon accommodations will be documented in writing. The employee may be required to provide documentation of the specific issue that makes them high risk.

The District may also need to make changes to responsibilities and/or assignments of classified employees and/or implement a Reduction in Force. Due to the uncertainties and uniqueness of the situation, the changes contemplated by this section shall be determined by the Superintendent in the best interest of the District.
