

Health Requirements for School Attendance

- **Early Childhood/ Pre-K:** Physical Exam, Immunization Record (Make sure immunizations are up to date), Lead Screen
- **Kindergarten:** Physical Exam, Immunization Record (2nd Varicella, 2nd MMR, 4 doses of IPV are required at correct intervals), Lead Screen, a Dental Exam, and an Eye Exam
- **2nd Grade:** Dental Exam
- **6th Grade:** Physical Exam, Immunization Record -Tdap required (must be on or after 11th birthday) and MCV #1 required (must be on or after 11th birthday), and a Dental Exam
- **9th Grade:** Physical Exam, Immunization Record (make sure immunizations are up to date), and a Dental Exam.
- **12th Grade:** MCV #2 immunization is required, unless MCV #1 was given on or after the 16th birthday. (Then only 1 dose of MCV is required)
- **Transfer students from out of state:** Physical Exam, Immunization Record, Eye Exam (if they have never attended an IL school), plus grade appropriate requirements. (See above)
- **Parents please make sure you fill out and sign the Health History Section on the back of the physical forms prior to turning them in.**
