Hardin County CUSD #1 is not responsible for SOPPA violations due to student created accounts that do not meet SOPPA regulations. HCCUSD #1 blocks all non-SOPPA compliant sites through our firewall and regularly monitors and blocks any new non-compliant sites. HCCUSD #1 abides by SOPPA law on all levels and cannot be held responsible for student use of school email accounts from other locations that do not block non-SOPPA sites and are therefore in violation of SOPPA laws.
