Visual Supports and Autism Spectrum Disorder Tool Kit

Medication Decision Aid

Blood Draw Tool Kits

The Huron ISD has written a handbook for parents entitled **Understanding Autism Spectrum Disorder**. It was revised by Bay-Arenac ISD and can be printed from www.hisd.k12.mi.us , special education, parent resources, Disability Information. This is an excellent booklet for parents with newly identified students.

The closest **Parent Support Group** is the Great Lakes Bay Autism Center. Please see attached.
