

# Poulsbo Middle School

## *Maker's club*

**Tuesdays From 2:30-4:00**

**Begins 9/20/2021**

**Limit of 30 Students**

Maker's club is for students who would like to spend more time making things in the Pre-Engineering lab. This club is open to all students whether you are in my class or not. Since we will be working in the shop I expect a high level of professionalism, this is not babysitting so you need to manage your own behavior. If you can not conduct yourself safely and appropriately I may have to ask you to leave.

Students may walk home or be picked up by a parent/guardian promptly at 4:00 pm.

\_\_\_\_\_ (student name), \_\_\_\_\_ (grade)  
may participate in the Maker's club and use equipment in the shop.

I am prepared to either provide transportation home, or have my child walk home. I understand this is a voluntary activity and that my child's participation is not mandatory. I understand that all Poulsbo Middle School rules and procedures apply to meeting times, including punctuality.

Please sign and return to the main office or Mrs. Eaton.
