

Clayton County Public Schools SY22-23 Operational Game Plan

Revised 7.21.22

PPE and Safety Guidelines

- All employees and visitors to all CCPS buildings will be **required** to wear a mask.
- Hand sanitizer will be provided in all classrooms.
- Desk shields will be available at each school.
- All high-touch points will be cleaned throughout the day.
- All positive COVID cases and close contact cases should still be reported to the COVID-19 Portal.
- Custodians will sanitize school buildings daily.

Visitors to the Building

- CCPS Employees will be able to visit all CCPS buildings.
- Visitors will be allowed to visit all CCPS buildings and must wear a mask.
- Virtual meetings with parents will still be an option.

Nutrition Services

- Schools will utilize the traditional breakfast and lunch schedule.
- Cafeteria tables will be cleaned & disinfected between meals.

Transportation

- Buses will transport students at full capacity
- Buses will be cleaned and sanitized between each route.
- Parents can utilize [WebQuery](#) to obtain students' route and bus stop information.
- Parents and students can obtain information on route delays using the "Edulog Parent Portal." Click on the link to register https://www.clayton.k12.ga.us/departments/transportation/edulog_parent_portal:
- The transportation department will begin the year with staff shortages so it will be important for parents to register for the "Edulog Parent Portal."

Procedures for Large Gatherings

- School assemblies, programs, large group meetings, and trainings will resume being face to face.
- All CCPS buildings will be open for visitors and trainings
- Indoor and outdoor athletic venues will have unlimited seating.

Field Trips

- Students will be encouraged to continue to use hand sanitizer before and during field trips.
- Parents will be allowed to chaperone all field trips and will be required to have a background check conducted prior to attending the field trip.
