## BRING YOUR OWN APPLE DEVICE (BYOAD) PROGRAM

### **Important Change!**

**The Bring Your Own Apple Device** program was an optional program offered to students attending Garrett-Keyser-Butler CSD in the past. The BYOAD program replaced the school issued device for those who chose to enroll.

Garrett-Keyser-Butler CSD will **no** longer offer this program for K-8 students (currently being phased out for 9-12 students over the next four-years).

Garrett-Keyser-Butler CSD was awarded a Federal Grant in which the device cost has been covered for the next four-years.

**What does this mean for parents?** Over the next four-years, parents of K-8 students will not incur the Technology fee portion of Textbook Rental.
