Greetings Parents/Guardians,

Welcome to Morrow Elementary. We are committed to being a school of excellence, where we prepare all students for success at the next level of education.

My name is Tony Keel and I am the Title I Parent Liaison at Morrow Elementary School(MES). I am very excited to have this opportunity to work with you and your family. My role at MES is to offer and provide parents/families with information, support, and community resources. Some valuable levels of support include but not limited to are parenting information, volunteer information, monthly schedule of parent engagement events, and educational resources. I also maintain the Parent Resource Center(PRC). The PRC is located in Modular 141 and open Monday-Friday from 8:00 am to 2:00 pm. In the PRC parents will have access to computers for logging on to the Infinite Campus Parent Portal to view your child's grades online. Due to the COVID-19 Pandemic, the PRC is closed. Until further notice parent workshops will be held virtually using google meets, hangouts or the Zoom video app. When the PRC re-opens, you are invited to visit the PRC and attend parent workshops.

I encourage you to check out my google website: <https://tinyurl.com/qnuy6pf>

I have created a google website for parents to find information to use during this time of digital learning. The website will be updated as needed to provide you with ideas and online resources to assist you. I welcome any thoughts, suggestions, or ideas you have to make the website a useful tool.

A strong parent-school partnership benefits all parties involved. It is my pleasure to assist all parents in becoming an equal partner in the home, school, and community partnership. I believe with resources on hand and ongoing parental engagement, all students can achieve academic success. I look forward to working with you and helping your child succeed academically. If you have any questions, you can contact me at by email at [anthony.keel@clayton.k12.ga.us](mailto:anthony.keel@clayton.k12.ga.us). I can be reached by phone at (678) 304-7846.

Sincerely,

Tony Keel
