Principal

Tonishia Whitlow, Ed.D.
Assistant Principal

River's Edge Families,

Technology is an integral part of daily instruction. Clayton County Public Schools has provided laptop devices for all students in grades 3-5.

It is important that students take care of these devices and bring these devices, fully charged, along with the power cords to school to partake in instruction daily.

Thank you for working with us.

Administration,

Dira D Harris, Ph.D.
