To Place, Answer and End Calls:

- Pick up or hang up the handset, OR
- Activate the headset or speaker phone, OR
- Use softkeys: **Redial**, **New Call**, **Call**, **Answer** or **EndCall**, where appropriate.
- External Local Numbers: Dial **8 + 7-digit number**
- External LD Numbers: Dial **81+ 10-digit number**
- Dial **8-911** or **911** for the emergency services.

Hold and Resume a Call

- While on a call, press the **Hold** button. (The Hold icon displays and the line button flashes green).
- To return to the call, press the **Resume** soft-key or the flashing green line button.

Transferring Calls:

1. With an active call, press the **Transfer** button. Your phone will automatically put your original call on hold and open a new line.
 2. Dial the extension to which you want to transfer your caller. You will now connect to this phone.
 3. Hang up or press the **Transfer** button again. You are now disconnecting yourself from the call and connecting the other callers.
- To cancel a transfer, press the **EndCall** soft-key in step 3. Then press the **Resume** soft-key to reconnect with the original caller.
 - You cannot use Transfer to redirect a call on hold. Press **Resume** and then restart the transfer.

Transfer Options:

- *Blind*
 - ◇ Press the **Transfer** button, dial number, hang up or press **Transfer** button again.
- *Consult*
 - ◇ Press **Transfer** button, dial number, wait on the line, announce call, hang up or press Transfer button again.
