**Parental Involvement**

Mary F. Janvier Elementary School takes pride in providing opportunities for the establishment and building of the school – home connection. Parental involvement is an integral component of each child's education and parental involvement in available curricular and supplementary programs is encouraged.

Parental involvement is defined as parent participation in regular, collaborative, communication involving the child's learning and the taking part in other school activities. Parents are full partners in their child's education and are included, as appropriate, in decision – making and on advisory committees, as necessary, to assist in the education of their child.

Available activities that provide the opportunity for parental involvement include the following:

- Enrollment in the School PTA and Participation in PTA Sponsored Events
- Participation in Teacher / Principal Approved Curriculum Appropriate Activities
- Pre – Scheduled Birthday Celebration Lunchroom Activities
- Annual Book Fair and Holiday Shop Programs

Available activities that promote the home – school communication process include:

- Kindergarten Orientation
- Back – to – School Night Programs
- Parent / Teacher Conferences
- Annual Grade 2 Music and Art Show Programs
- The Janvier Journal

Additional activities may occur on a yearly basis, as developed and as needed. In addition to the above listed information, communication through the telephone and technology resources including email and teacher web pages is available.
