SUBJECT:

AHERA MANAGEMENT PLAN NOTIFICATION TO STUDENTS, PARENTS OF STUDENTS, AND STAFF

In order to comply with ¶763.93(93)(4) of the Asbestos Hazard Emergency Response Act the attached notice must be given to staff, students and the parents of students attending this school. This notice is intended to notify these groups of the availability of this Site's Management Plans, which are located in the Site Administrator's office. The attached letter is designed to meet this requirement, and must be sent out annually.

It is also important that short-term contract workers and temporary employees be informed or made aware of the presence of the asbestos via the "Notice To Short Term Worker's" form found in the Appendix B of the Management Plan. (Copies of the completed forms must be sent to Plant Facilities for inclusion in the Management Plans.)

There are several options available to you in order to meet the annual AHERA notification requirement. They are:

- ✓ 1) Post where all employees can read it
- ✓ 2) Issue a copy to each individual employee
- ✓ 3) Send a copy home with each student through one of the following:
 - a) An enclosure to report cards,
 - b) Mass mailing,
 - c) School newsletter or
 - ✓ d) Whatever other means is available to you.

In order to verify that the requirement is met, please check below the method(s) you use to you use to accomplish this requirement and return this page with your signature on it to me no later than December 21, 2022 . It will become part of your site's management plan and LKSD's verification of the compliance with the regulation.
